MEMORANDUM

TO: Dorcas Hardy, Chairperson
White House Conference on Aging Policy Committee

FROM: Governor Bill Owens

DATE: October 4, 2005

SUBJECT: WHCOA Federal Report

Attached is the final draft of the Colorado Governor's White House Conference on Aging report submitted via email to the White House Conference on Aging Policy Committee.

The following information has been collected from stakeholders around the State of Colorado and the information is a summary of comments/suggestions from varied sub-groups and individuals participating in those sub-groups. This is purely a reflection of Colorado stakeholder statements at the conference as part of the input process. This information does not reflect the views of my office.

I thank you for attending our great conference. This report meets the requirements for submission. We are encouraged by the results and are confident that this Final Report will be beneficial to the Policy makers attending the White House Conference on Aging in December.

Sincerely,

Bill Owens
Governor
